Re: July 4th Holiday – Garbage Routes One Day Late

Dear Municipal Administrator:

With the Independence Holiday only about a month away, Veolia Hartland is now making preparations. We want you to be aware that we have made the decision to observe this Holiday on Monday July 5th. Garbage routes for your community will therefore be one day late.

To alleviate collection day confusion and the high call volume we traditionally receive from our residential customers, we intend to distribute a card stating that our collection will be "one day late". These cards will go to individual homes in the communities we service.

We would appreciate your assistance in reminding residents via your cable TV stations or any other means you have available.

As always, please feel free to contact me at (262) 369-3071 if you have any questions. Have a Safe Holiday!

Respectfully,

Lyle Paullin
General Manager
